

## Declaration regarding debt situation

I will be granted access to personnel/restricted areas of the premises of Avaloq Group AG and/or its subsidiaries (hereinafter "Avaloq") and/or to Avaloq's systems. I am aware that, according to Avaloq's policies and directives, I am required to provide Avaloq with a debt register extract (or equivalent document in case a debt register extract is not available in my home jurisdiction) before such access is granted. Due to the urgency in being granted access to Avaloq's premises and/or systems it is not possible to obtain the debt register extract before the date when the access shall be granted. In order to be granted temporary access to Avaloq's premises and/or systems before the debt register extract is provided, I declare to Avaloq the following:

- 1. No ongoing debt enforcement proceeding** I warrant that there is currently no debt enforcement or bankruptcy proceeding pending against me.
- 2. Delivery of debt register extract** I undertake to provide Avaloq with a debt register extract (or equivalent document in case a debt register extract is not available in my home jurisdiction) which is not older than three months as soon as possible but in any case within two weeks as of the signature date of the present declaration at the latest. I understand and agree that my access to Avaloq's premises and systems will be blocked without further notice in case I do not provide it within this timeframe.
- 3. Sanctions** I understand that a breach of this declaration may result in serious criminal sanctions and entitles Avaloq to raise claims against me.
- 4. Applicable Law** This declaration is in all respects governed by and construed in accordance with the law of Switzerland, irrespective of any conflict of law provisions.
- 5. Competent Jurisdiction** Any disputes arising out of or in connection with this declaration are subject to the exclusive jurisdiction of the ordinary courts in Zurich, Switzerland.
